A very warm welcome to the Community Chest Movie Premiere.

First of all, thank you, Mrs Yu-Foo for taking time off your busy
schedule to grace this charity event.

Community Chest Fund Raising Needs

1. Community Chest supports more than 320,000 people in social
service programmes run by 72 voluntary welfare organizations under
its care. These programmes meet critical needs such as providing

education for children with special needs, counselling support for families in need, residential homes for lonely elderly and job opportunities for people with disabilities. Today, over 100 beneficiaries are here with us to enjoy the movie.

Thank partners

2. Meeting these critical needs requires the united support and encouragement of corporates and the community. I would like to specially thank our major partners, NTUC FairPrice Foundation, United Overseas Bank Limited and Delphi Automotive Systems Singapore Pte Ltd, for enabling Community Chest to provide the much needed help to our beneficiaries.

Thank J Team Productions

3. I would also like to extend my appreciation to J Team Productions, especially film director Mr Jack Neo, who is also a Community Chest Committee member, for offering the rights to screen this movie premiere to raise funds. I am glad to inform that we have raised \$102,000 through our kind sponsors.

Acknowledge & Thank donors for making their contributions

4. Finally, on behalf of Community Chest and our beneficiaries, a very Merry Christmas and a Happy New Year! Thank you.
